

NEIGHBORHOOD WATCH

City Services Handbook

2012

together we can make a difference

City Services Handbook

The West Valley City Services Handbook has been created to give you greater access to City Hall and to make you an informed resident, business owner and neighbor. With nearly 130 organized Neighborhood Associations in West Valley City, a strong sense of community is reflected in your commitment to build and preserve clean, safe neighborhoods that reflect our City's diverse population.

Phone: (801) 963-3220

Website: www.wvc-ut.gov/citycouncil

REGULAR MEETINGS

City Council meetings are held on the first four Tuesdays of the month at 6:30 p.m. in the Council Chambers of West Valley City Hall, 3600 South Constitution Blvd., unless otherwise posted.

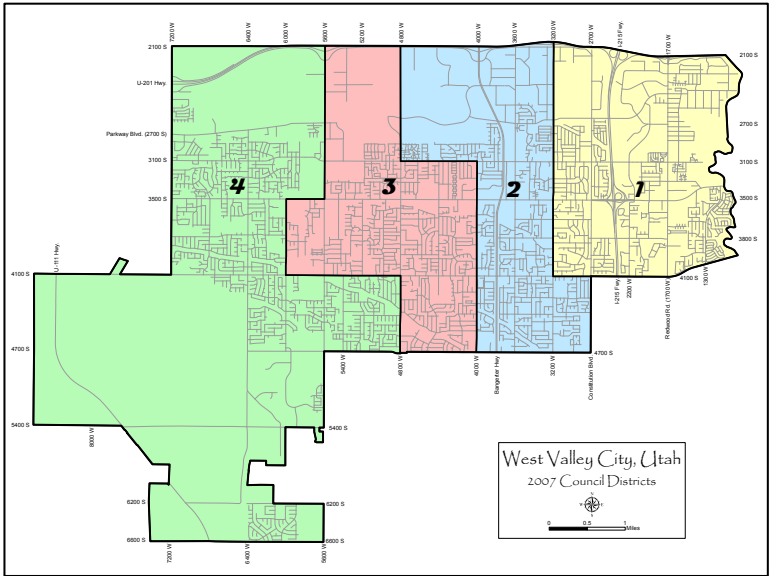

All council meetings of the City Council are open to the public unless closed pursuant to the applicable provisions of Utah's Open and Public Meetings Act. Meetings in addition to those specified will be held as circumstances require; appropriate notice will be given for such meetings. The public is invited to make comments during a designated time at the beginning of each council meeting.

If you are interested in obtaining more information about any item on the City Council agenda, please contact the City Recorder's Office at (801) 963-3203.

STUDY MEETINGS

The West Valley City Council holds its study meetings on the first four Tuesdays of the month at 4:30 p.m. in the Multi-purpose Room of West Valley City Hall, 3600 South Constitution Blvd., unless otherwise posted. Public comment is generally not allowed unless invited by the Mayor.

All study meetings of the City Council are open to the public unless closed pursuant to the applicable provisions of Utah's Open and Public Meetings Act. Meetings in addition to those specified will be held as circumstances require; appropriate notice will be given for such meetings.

Building Inspections

Address: 3600 Constitution Boulevard, Suite 220
West Valley City, Utah 84119

Phone: (801) 963-3283

Website: www.wvc-ut.gov/building

A building permit must be purchased from the West Valley City Building Inspection Division and inspections for installation approval will be required for the following activities that relate to single family dwellings:

- Expanding a home by additions to the building, including adding habitable space, garages, carports and roof projections.
- Altering a home by remodeling to include adding, altering or deleting interior walls; finishing rooms or areas previously unfinished (including basements); changing the use of a room or area; and altering the slope of the roof through a roof conversion.
- Building any detached structures such as garages, barns, tool & storage sheds, playhouses, pool or hot tub enclosures, and similar uses where the structure exceeds 120 square feet in floor area.
- Constructing retaining walls that retain more than 4 feet of earth, measured on the low elevation side of the property line.
- Building decks or permanent platforms that are more than 30" above the surrounding ground.
- Erecting window awnings that project more than 54" from the exterior walls.
- Installing any in-ground swimming pool.
- Changing or lowering kitchen cabinets & counter tops (creates plumbing & electrical concerns).
- Adding, deleting, or altering existing plumbing fixtures to accommodate more (or less) plumbing fixtures.
- Adding, deleting, or altering any electrical circuits.
- Altering the existing electrical service equipment (the meter) or any electrical panels.
- Adding any electrical appliances that are considered a fixed installation and are not replacing similar appliances.
- Installing, replacing or repairing a furnace, water heater, boiler, air conditioner, evaporative cooler, heat pump, or baseboard heating equipment.
- Installing or replacing any fireplace (wood or gas), or wood stove.

Business Licensing

Address: 3600 Constitution Boulevard
West Valley City, Utah 84119

Phone: (801) 963-3290

Website: www.wvc-ut.gov/business

Who Needs a Business License?

If you have a place of business located in West Valley City limits, you must obtain a business license from West Valley City. Our City Ordinances define a business as:

“Business” means and includes all trades, occupations, professions, or activities engaged within West Valley City, carried on for the purpose of gain or economic profit, except that the acts of employees rendering service to employers shall not be included in the term “business” unless otherwise specifically provided.

Place of business means each separate location maintained or operated by the licensee, whether or not under the same name, within the City from which business is engaged in.

Further, City code states:

(1) Unless otherwise provided, it shall be unlawful for any person to engage in any business within the City without first having obtained a business license pursuant to this Title. A separate license shall be required for each type of business defined herein and for each place of business.

There is an exception to the licensing requirement for any “home” business which grosses less than \$1,000 annually. If your business falls into this category, you will simply need to sign an affidavit in which you state that this is your situation, and if you should increase your gross income, you will immediately apply for a license.

Consumer Protection

Code Enforcement

Address: 4522 West 3500 South
West Valley City, Utah 84120
Phone: (801) 963-3289

Website: www.wvc-ut.gov/codeenforcement

The Code Enforcement Division enforces adopted City, County and State ordinances regarding weeds, graffiti, inoperable vehicles, accumulation of solid waste, unsecured structures, hazardous conditions and business licenses and signs to ensure the health, safety and welfare of the citizens of West Valley City. Suspected violations can be reported by phone or online at www.wvc-ut.gov/codemap

Most frequent violations:

- abandoned, junked, or inoperable vehicles
- residential parking surfaces
- storage of commercial vehicles in residential zones
- accumulation of solid waste
- outside storage of property
- weed control
- fencing standards
- obstruction of sidewalks
- graffiti

(801) 963-3467 for GRAFFITI HOT LINE:

- Graffiti should be removed as soon as possible to discourage more. It is the property owner's responsibility to remove the graffiti.
- Service groups and volunteers are invited to join us in our effort to help keep the City graffiti free.
- To report graffiti in progress call 840-4000.
- If you have any questions call the Graffiti Hot Line.

Development and Right-of-Way Section

Steven Dale, P.L.S, Section Manager

The Development and Right of Way Section is responsible for reviewing all commercial and residential civil plans and subdivision plats, processing public improvement bonds for developments and acquiring right-of-way for city projects.

Construction Section

Jerry Schlieff, Section Manager

The construction section is responsible for the construction management and inspection of all city roadway and storm drainage projects, enforcing storm water ordinances, enforcing long term implementation of site BMP's and tracking and processing public improvement bonds.

Design Section

Jason Helm, P.E. – Section Manager

West Valley City typically designs its own city road and storm drain projects in-house, and this is done in the Engineering Division Design Section. The Design Section is responsible for designing public infrastructure projects, coordinating right-of-way acquisitions and assisting in the construction management of city projects.

Excavation Permits

Randy Petersen – Permits Officer

Responsibilities include issuing excavation and storm water permits and tracking progress and closeout of various utility road cuts.

Family Fitness Center

Address: 5415 West 3100 South
West Valley City, Utah 84120

Phone: (801) 955-4000

Website: www.fitnesscenter.wvc-ut.gov

Memberships are available and drop-ins are welcome.

Our amenities include:

- Rock Climbing Wall
- 8 Lane Lap Pool
- Leisure Pool with Water Slide and Toys
- Hot Tub
- 6,000 sq ft Children's Play Area (Edutainment Center)
- Licensed Childcare
- Cardio Theater
- Weight Room
- Basketball Courts
- Raquetball Courts
- Indoor Track
- Community Room Rentals
- Exercise Studios
- Stretching Area
- Game Area

Sunday: 10:30 a.m. to 5:00 p.m.

POOL HOURS

Lap Swim

Monday to Friday: 5:00 a.m. to 9:00 p.m.
Saturday: 6:30 a.m. to 8:00 p.m.
Sunday: 10:30 a.m. to 4:00 p.m.

Open Plunge

Monday to Friday*: 11:30 a.m. to 9:00 p.m.
*slide opens at 5:00 p.m. Sept 1 - May 31
Saturday 11:30 a.m. to 8:00 p.m.
Sunday 12:00 p.m. to 4:00 p.m.

SNACK BAR

Monday to Friday: 11:30 a.m. to 8:00 p.m.
Saturday: 11:00 a.m. to 8:00 p.m.
Closed Saturdays, Sundays & Holidays

CHILD CARE

Monday to Thursday: 8:00 a.m. to 8:00 p.m.
Friday: 8:00 a.m. to 4:30 p.m.
Closed Saturdays, Sundays & Holidays

Fire Department

Address: 3600 Constitution Boulevard
West Valley City, Utah 84119
Phone: (801) 963-3336

Emergency Dispatch: 911
Non-Emergency Dispatch (801) 840-4000

Website: www.wvc-ut.gov/fire

In addition to emergency responses, the Fire Department provides the following information:

- Fire Prevention Information
- How to put out SMALL fires when they start
- How to get out safely from LARGE fires
- What to do after a fire
- Fire and health safety programs for church, schools, clubs, neighborhood groups and civic organizations
- Assistance with a small child who is curious about fires. (There are programs to assist parents with juvenile fire setters who set fires maliciously or for other reasons beyond curiosity.)

TIPS:

- For the safety and security of your family and home, install smoke detectors on each floor of your home.
- Place fire extinguishers in areas of the home where fire danger is highest, such as kitchens, washrooms and utility closets.
- Check the battery in your working smoke detectors twice each year. (Remember: when daylight saving time changes, so do the batteries in your smoke detectors)
- Keep lighters and matches out of children's reach.
- Fire extinguishers are best when serviced once a year by a qualified service technician.
- Acquaint yourself with youth fire-prevention programs introduced each year in schools.

Garbage Collection Services

Address: 2805 South 3600 West
West Valley City, Utah 84119
Phone: (801) 955-3720
Website: www.wvc-ut.gov/sanitation

REGULAR PICKUP

Regular garbage is collected once a week and the container must be out on the curb by 7:00 a.m. on the scheduled day of pickup.

The lid of your container may not be raised more than six (6) inches when put out for pickup. If you have excess garbage that doesn't allow the lid to close, your container will not be emptied.

Additional containers are available for \$6.45 per month. You must keep the extra container at least six months. Additional containers may be ordered through the West Valley City Sanitation Division by calling (801) 955-3720.

If your container is broken, damaged, or stolen, contact the Sanitation Division at (801) 955-3720 for a replacement. There is no charge to replace containers broken or damaged through normal use. If a container is damaged or broken through misuse by the resident, there is a \$75 charge to replace the container.

ELECTRONIC WASTE RECYCLING

West Valley City and the Salt Lake Valley Health Department have teamed up to offer Salt Lake County residents an electronic waste drop-off site at the West Valley City Sanitation and Fleet Maintenance Facility, 2805 South 3600 West.

Residents may drop-off electronic waste during regular business hours (Monday – Thursday 7 a.m. to 6 p.m.) after speaking with an employee at the front desk. Business use is not allowed. For more information on what items can be recycled, please visit www.wvc-ut.gov/ewaste or call 801-955-3720.

BULKY WASTE PROGRAM

Bulky Waste Removal is a way for residents to get rid of those big, bulky waste items that don't fit in with their normal garbage. Bulky Waste is picked up once a month and corresponds with an area's regular garbage pickup date. To find out when your Bulky Waste Removal day is, please visit www.wvc-ut.gov/bulkywaste.

Follow these guidelines when preparing bulky waste:

- Do not place waste on the curb more than 1-2 days prior to your collection date.
- Vehicles may not park within 15 feet of the bulky waste pickup area.
- Bundle tree branches and limbs together. Limbs cannot be larger than 4 inches in diameter and bundles cannot be bigger than 4 feet long by 18 inches in diameter. Bundles cannot exceed 75 lbs.
- Loose branches, limbs, grass clippings and leaves will not be collected. Lawn mowers and snow blowers must have the oil and gasoline removed.
- Absolutely no construction or demolition debris.
- **ABSOLUTELY NO HOUSEHOLD HAZARDOUS WASTE!**
- Old refrigerators and freezers must have all Freon removed before they can be placed with bulky waste. Freon must be removed by a professional and appliances must be tagged certifying that the Freon has been removed.
- Anything left in the bulky waste pile will be picked up. Do not place the waste in containers that you wish to keep.

HOUSEHOLD HAZARDOUS WASTE

Toxic, hazardous, or flammable materials including pesticides, herbicides, solvents, chemicals, paints, motor oil, gasoline, tires and batteries must be disposed of properly to help protect the environment. Residents of Salt Lake County can dispose of these materials at any of the HHW facilities. Call (801) 541-4078 or visit www.wvc-ut.gov/hhw for more information.

RECYCLING

Recycling helps save landfill space and reduce disposal costs at our local landfill. Recycling contributes to saving our natural resources by reusing aluminum, paper, plastic and other recyclable materials.

How it Works:

- Residents have a 95-gallon roll-out recycling container to use for recycling.
- Collection maps and collection calendars along with recycling guidelines are available online at: www.wvc-ut.gov/recycling.
- Recycling is picked up every other week (bi-weekly).
- Recyclables can be mixed together in the one container provided.
- **DO NOT BAG RECYCLABLES.**
- Only acceptable recyclable materials may be placed in the container. A list of items is located online at www.wvc-ut.gov/recycling.

**Recycling Works Because of You!
Do Your Part and Make a Difference.**

NEIGHBORHOOD DUMPSTERS

Once a year, per area, residents, volunteer groups and neighborhood associations may schedule 10 dumpsters for neighborhood cleanup projects. The dumpsters are delivered and picked up two days later. Groups must advertise the cleanup project, collect the debris and load it into the dumpsters.

Some simple guidelines for this program are:

- Dumpsters are for residential use only.
- **ABSOLUTELY NO HOUSEHOLD HAZARDOUS WASTE.**
- Landscaping materials such as rocks, dirt, concrete and blacktop cannot be placed in the dumpsters.
- Never leave materials on the ground next to the dumpsters.
- **DO NOT OVERLOAD DUMPSTERS!** Never fill the dumpster above the sidewalls.
- Remember, bulky waste is once a month. Many of the same items that can be placed in the dumpsters can also be placed out for bulky waste pickup.
- Residents must distribute 100 flyers to neighborhood homes around the area where the dumpsters will be located. Neighborhood Associations registered with the Neighborhood Services Office may request free copying by calling (801) 963-3562.
- Dumpsters are not automatically scheduled. To schedule the dumpsters, or for more information, contact the Sanitation Division at (801) 955-3720 or visit our website at www.wvc-ut.gov/dumpsters.

Housing Discrimination is Against the Law!

The Federal Fair Housing Act makes it illegal for anyone to refuse to rent, sell, or make a housing loan to you because of your race, color, religion, sex, national origin, handicap, or familial status.

What is Discrimination in Housing?

Housing discrimination occurs when you can not live where you want to live because of race, color, religion, sex, national origin, handicap, or familial status.

Watch for the Warning Signs!

- an apartment manager or owner refuses to rent to you
- a lending company refuses to give you a mortgage to purchase a home, although you qualify
- a real estate firm treats you differently than others
- you are steered to or away from a neighborhood which is primarily composed of one racial or ethnic group
- a builder or developer refuses to sell you a home

- Crime Prevention Through Environmental Design

WHAT IS NEIGHBORHOOD WATCH?

- A crime prevention program where neighbors “look out for each other.”
- A crime prevention program that encourages neighbor participants to get to know each other and their routines so that any out of place activity can be observed, recognized for what it is, reported and investigated.
- A crime prevention program that teaches participants techniques to reduce the risk of being victimized at home, in their vehicles and in public places.
- A crime prevention program which trains participants on the importance of recognizing suspicious activities and sounds, evaluating them and then properly reporting them.
- A crime prevention program which teaches participants how to make their homes more secure, how to properly identify their property and how to “look out for each other.”
- A cohesive body of concerned and involved neighbor participants addressing many issues that concern the entire community.

Sidewalk Repair Program

Address: 2805 South 3600 West
West Valley City, Utah 84119
Phone: (801) 955-3720

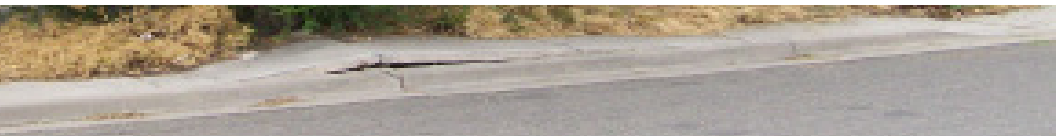

Website: www.wvc-ut.gov/sidewalks

This program provides an option to adjacent property owners of sidewalks who desire to complete repairs to sidewalks not slated for repair or replacement.

The program includes:

1. Permit fees will be waived by the City.
2. A predetermined amount of funds will be included in the budget each year for this program. Applications will be accepted from residents until the budgeted funds have been exhausted. Applications will then be accepted after the first business day of the next fiscal year.
3. Applications must be approved prior to work being performed. When the work has been completed and inspected by the City, the City will pay \$17.00 per linear foot for replacement of sidewalk, or curb and gutter.
4. City crews will complete asphalt connections to the existing roadway when original gutters were previously connected to roadway.
5. Must be approved by The Public Works Director.

Contact the West Valley City Streets Division, (801) 955-3720 for more information about the Accelerated Repair Program.

Snow Removal

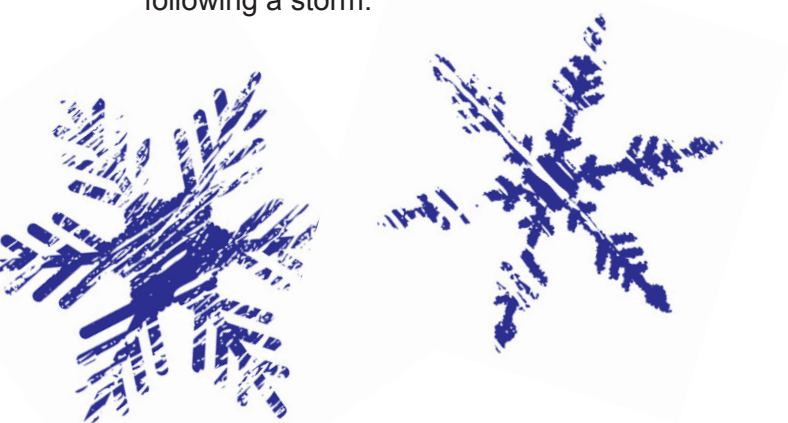

Address: 2805 South 3600 West
West Valley City, Utah 84119

Phone: (801) 955-3720

Website: www.wvc-ut.gov/snow

SAFETY TIPS

- Do not park vehicles, boats, trailers or any other personal property on the street when snow is possible. Vehicles on the road while there is an accumulation of snow or ice of one inch or more may be ticketed or towed.
- If you must pile snow at the end of your driveway, be sure to place the snow on the down-stream side of the drive.
- When you find yourself following plows, please stay back farther than normal. When two or more trucks are plowing in tandem, do not attempt to pass, this could result in an accident.
- Please understand that our drivers take care not to bury sidewalks and driveways when plowing your street; accidents do happen, however.
- It is the property owner's responsibility to clear all sidewalks abutting their property of hail, snow, or sleet following a storm.

STREET SNOW REMOVAL POLICY

The first priority in snow and ice removal is to plow & salt streets which carry the largest traffic volume. These are Priority One streets. After these Priority One streets have been made passable, the trucks go to the Priority Two streets. The City has manpower to run two crews (two 12 hour shifts) with 12 employees in each crew. Limited resources prohibit service on lower priority streets until higher-priority streets have been completed. It can be expected that during storms of high intensity or long duration, and during non-regular working hours, drivers on lower priority streets will encounter snow-packed or icy conditions. Snow and ice control operations will continue during regular hours until all streets have clear pavement, or plowing and salting is no longer effective.

Snow and ice control measures only apply to public streets under the jurisdiction of West Valley City. The City has over 360 center-line miles (equivalent to driving to Mesquite, Nevada) of arterial, secondary, and residential streets. Many of these streets have multiple lanes. City streets have been divided into four priorities:

PRIORITY ONE: These are arterial and major collector streets, generally with a right-of-way width of 66 feet or more, and average daily traffic greater than 5000 vehicles.

PRIORITY TWO: These are generally subdivision collector streets, typically with a pavement width of at least 30 feet. Included in this category are streets serving emergency response facilities and schools. Also included are streets with hills and sharp curves where traction problems often cause hazardous driving conditions.

PRIORITY THREE: All other residential through streets (excluding cul-de-sacs.)

PRIORITY FOUR: Cul-de-sacs and other dead end streets. It takes more time and costs more to clear snow from cul-de-sacs than on typical “uninterrupted” stretches of streets. Because of the high cost-to-benefit ratio, cul-de-sacs and dead end streets have the lowest priority.

Storm Water

Address: 3600 Constitution Boulevard, Suite 260
West Valley City, Utah 84119
Phone: (801) 963-3334
Website: www.wvc-ut.gov/stormwater

There are two underground systems throughout West Valley City, one treated and the other untreated. It is important that citizens of West Valley City understand that stormwater does not end up in the sewer, but travels directly into our local waterways.

The Storm Water Utility collects fees on a monthly basis that are used to maintain and construct the City's storm drain system. Maintenance includes sweeping major roads and streets and cleaning storm drain boxes and catch basins.

The City receives no federal funding to meet Storm Water regulations imposed by the Environmental Protection Agency (EPA). The EPA mandates that cities with populations larger than 50,000 residents must meet certain storm water standards. The West Valley City Storm Water Utility pays for repairs to the existing drainage system as well as additional cleaning equipment and personnel that bring the City into compliance with these national standards.

The following information about storm water can be found on the City's website:

- Federal (EPA) and State(UDEQ) Requirement
- The Storm Drain System
- Best Management Practices Manual
- Terms and Definitions
- FAQs for Homeowners
- FAQs for Business Owners
- Storm Water Management Permit Application
- Credit Application for Commercial Property Owners

Utah Cultural Celebration Center

Address: 1355 West 3100 South
West Valley City, Utah 84119
Phone: (801) 965-5100

Website: www.culturalcelebration.org

The Utah Cultural Celebration Center is recognized as one of Utah's premier destinations for arts and cultural events. The Utah Cultural Celebration Center seeks to promote, present, preserve and perpetuate local cultural traditions and to become a home for local arts and artists. It is a place for people of all ages to connect to their heritage and learn about the traditions of their neighbors. The Utah Cultural Celebration Center accomplishes these goals by coordinating gallery exhibitions, classes, educational programs, festivals, concerts, community celebrations, workshops, hosting social and non-profit events and creating other unique partnerships.

The Cultural Center has the only art gallery in West Valley City and hosts international, national, regional and local art exhibitions. With festival grounds, an amphitheater, a large community hall, classrooms, a dance studio and spacious plazas, the Center can host any number of ethnic, community and corporate events. With the events planning staff, you can be assured that your event will be a success.

Come join the Celebration!
